* Your interest rate and annual percentage yield will change based upon changes in the Federal Reserve Target Rate (Fed Funds Rate). Currently 2.50%. The interest rate and annual percentage yield on your account will depend upon the daily ending balance you have in your account during the statement cycle. You must deposit a minimum of \$50,000 to open this account. The \$50,000 minimum deposit cannot come from accounts already on deposit at Sterling Federal Bank. Your interest rate and annual percentage yield will change the first of the month following a change in the Federal Reserve Target Rate.

**Customer must have or open a checking account with Sterling Federal Bank to obtain and earn interest on this account. Failure to meet this requirement will result in 0% interest being earned on this account regardless of account balance. A service fee of \$25 will be charged every statement cycle if the daily ending balance falls below \$50,000 any day of the cycle.
