

Paying Another SFB Customer Feature

The Pay Another SFB Customer feature enables you to transfer money to other Sterling Federal Bank account holders. To pay another SFB customer, you must know the Account Number, Account Type, and Last Name of the payee.

Pay Another SFB Customer – Setting up Payees

1. From the main side-bar menu, click Pay Another SFB Customer.
 2. Click Add Payee
 3. Enter the payee's last name.
 4. Select the payee's account type.
 5. Enter the payee's account number.
 6. Confirm the payee's account number.
 7. Click Submit
